GREENBRIAR KINGSRIDGE HOMEOWNERS' ASSOCIATION

INTRODUCTION TO GREENBRIAR KINGSRIDGE

Ownership: When you buy a home in Greenbriar Kingsridge, you automatically become a member of the homeowner's association, which is incorporated under state law. Your homeowner's association manages and maintains the center island, cul-de-sacs and the entry ways into Kingsridge. The homeowner's association also performs other functions as directed by you, the homeowner.

Operation of the Homeowner's Association: Greenbriar Kingsridge Homeowner's Association is governed by a nine member Board of Directors elected by the owners of lots in Kingsridge. Day to day operations are conducted by a management organization under the supervision of the Board. Each lot has one vote to elect members of the Board of Directors, who are elected to staggered terms of office. There are presently three committees whose functions are generally outlined as follows:

Nominating Committee - annually nominates candidates for the expiring terms of the Board of Directors.

Maintenance Committee - advises the Board of Directors on all matters pertaining to the maintenance, repair or improvement of the center island, cul-de-sacs and entry ways into Kingsridge. Subject to availability of funds, other services can be considered, such as miscellaneous cleanup, snow removal, etc.

Architectural Committee - has the duties and functions for architectural review and approval of all building activity and to advise the Board of Directors on such related activities which may adversely affect the residential value of the development.

Homeowner's Association Fee: The operating costs for the care and maintenance of the landscaped center island, cul-de-sacs, entry ways and other services are collected from the lot owners of the Association. This cost or fee is called the homeowners' dues.

Each Kingsridge homeowner (as a member of the Association) pays a set annual fee payable on the first day of January. If the homeowner takes title to the property in the middle of the year, the dues will be prorated beginning with the month following initial occupancy or transfer of title, whichever is first. Current annual dues are set at \$101.00 and may not be raised more than 10% annually by the Board of Directors without 2/3 vote of the members.

Architectural & Building Requirements: The Architectural Committee is established by the Declaration of Covenants and Restrictions. Homeowners who are desiring to add fencing, outbuildings, modifications, additions or other alterations will need to submit drawings or sketches describing such work for prior approval by the Architectural Committee. The Committee will endeavor to accommodate such requests consistent with the objectives of the Covenants and Restrictions as quickly as possible. We will be pleased to meet with any homeowner or assist him

in any way possible. See Article 2, Sections 1 and 2 (page 4), of the Covenants for detailed building requirements and restrictions.

General Restrictions: Article III Section 3 (pages 8-10) of the Covenants list a series of general restrictions intended to promote "pride of ownership" and help preserve the property values of all Greenbriar Kingsridge homeowners.

Meetings of Members: The regular meeting of the Greenbriar Kingsridge Homeowners' Association is held the second Tuesday of the even months of each year at 7:00 p.m. We invite your active participation in the Homeowners' Association. 6

For additional information about your Greenbriar Kingsridge Homeowners' Association, plat restrictions and building requirements, please refer to the Declaration of Covenants and Restrictions and the By-Laws for the Greenbriar Kingsridge Homeowners' Association or give us a call at the Kingsridge office - 691-3305.

ARTICLE IV GENERAL PROVISIONS

Section 1 Membership and Home Owners Association

- (a) Homeowners Membership Upon the sale of a completed home on each lot, separately and independently, by a builder and occupancy by the first purchaser of the home, then that property shall become a permanent member of the Association and be subject to the Articles of Incorporation and By-laws then in effect and have the same rights and privileges as all other members of the Association.
- (b) Membership Every Owner of a Lot which is subject to assessment shall be a Member of the Association and shall be entitled to one (1) vote for each lot owned. Membership shall be appurtenant to and may not be separated from Ownership of any Lot which is subject to assessment.

- (c) Creation of the Lien and Personal Obligation of Assessments The Declarant hereby covenants, that each residence Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association annual assessments or charges, and such assessments to be established and collected as hereinafter provided. The annual assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.
- (d) Purpose of Assessments The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the landscaped areas of public rights-of-way located within the platted boundaries of the properties.
- (e) Maximum Annual Assessment Until January 1, 1993, annual assessment shall be Fifty Dollars (\$50.00) per lot. From and after January 1, 1993, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of two-thirds (2/3) of the Membership of the Association.
- (f) Uniform Rate of Assessment Annual assessments must be fixed at a uniform rate for all Lots and may be collected on an annual basis, or more frequently as determined by the Board of Directors.
- (g) Effect of Nonpayment of Assessments: Remedies of the Association Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at a rate up to eighteen percent (18%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property.

No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use or abandonment of his Lot.

- (h) Subordination of the Lien to Mortgages The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 2 Enforcement Should the Owner or Tenant of any block or lots or building sites in this addition violate any of the restrictive covenants or conditions contained herein, and thereafter refuse to correct same and to abide by said restrictions and conditions contained herein after reasonable notice, then in such event, the Association or any owner of any block, lot or building site in this addition may institute legal proceedings to enjoin, abate or correct such violation or violations. The Owner of the block, lot or lots or building site permitting the violation of such restriction or conditions shall pay all attorneys' fees, court costs and other necessary expenses incurred by the person instituting such legal proceedings to maintain and enforce and aforesaid restrictions and conditions, said attorneys' fees, court costs and other expenses allowed and assessed by the Court for the aforesaid violation or violations shall become a lien upon the land as of the date legal proceedings were originally instituted, and said lien shall be subject to foreclosure in such action so brought to enforce such restrictions in the manner provided by law. Failure by the Association or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 3 Severability invalidation of any one of these covenants or restrictions by judgment of court order shall in no wise affect any other provision which shall remain in full force and effect.

Section 4 Amendment The covenants and restrictions of this declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be

automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety percent (90%) of the Lot Owners, and thereafter by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners. Any amendment must be recorded.

SUBJECT: Satellite Disk Receivers

The Board of Directors of the Greenbriar Kingsridge Homeowners Association considered the question of Satellite Disk Receivers at a meeting held on May 20, 1985.

The Board members agreed that satellite receivers are "Antennae" within the meaning and intent of Article 3, Section 3 (K) of the Covenants and Restrictions. The Board concluded that allowing such receivers to be visible would not be in the best interest of the neighborhood.

Accordingly, Article 3, Section 3 (K) will be enforced in regard to satellite receivers. This Article is quoted:

"TREEHOUSES, PLATFORMS, AND ANTENNAE No treehouses, platforms in trees, play towers, or other similar structures or equipment, or radio or television antennae shall be Visible From Neighboring Property."

If you have any questions regarding this decision, please contact the Architectural Committee, at 691-3305

TO: Greenbriar Kingsridge Homeowners

SUBJECT: Fencing

We have had several requests from homeowners to outline in general the requirements and procedures for installing fences around their homes.

The addition of fencing is subject to approval by the Architectural Committee as provided for in the Declaration of Covenants and Restrictions for Kingsridge.

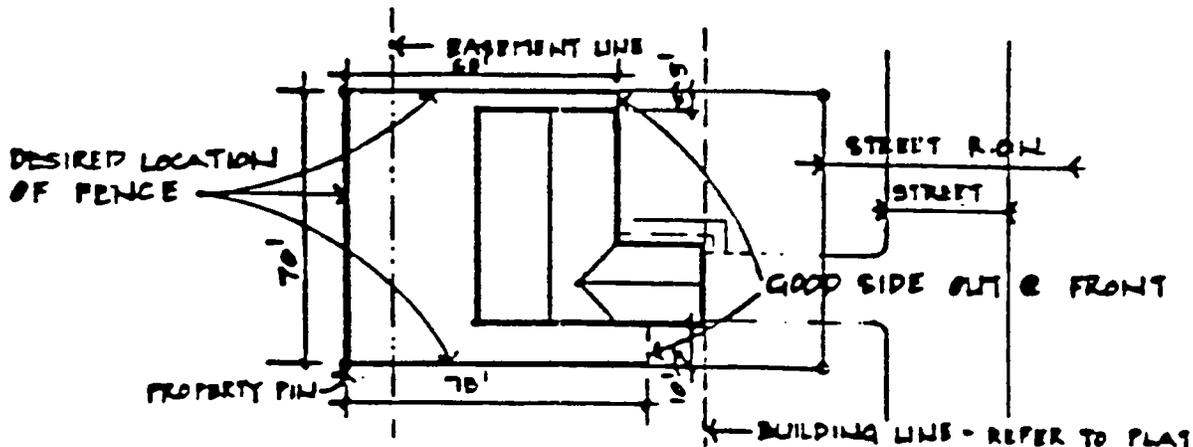

Generally, it is the current policy of the Architectural Committee to approve only those fences which are constructed of natural materials, i.e., stone, brick, cedar, redwood, etc, and installed so that they are harmonious with the surrounding properties and structures. The majority of the homeowners have previously elected either cedar plank or stockade fences, 6 foot high as sight-proof fences. Sight-proof fences are additionally enhancing to the neighborhood as they tend to hide garbage cans, boats, dog houses, etc. and provide "back-yard" privacy to the homeowner. A city permit is required for fencing and is usually obtained by your fencing contractor.

In accordance with current city ordinances as well as the Declaration of Covenants and Restrictions, no fencing shall extend beyond the front building line or side building line in the case of a corner lot. These building lines are determined for each lot and shown on the filed plat of Kingsridge.

The correct procedure for obtaining architectural approval and installation of fencing is as follows:

1. Submit a sketch of the proposed fencing to the Architectural Committee, P.O. Box 891381, Oklahoma City, Oklahoma 73189 showing the desired location and the materials of which the fence is to be constructed.

A sample plan and information required is shown below:

2. The Architectural Committee will endeavor to process and approve your plans as quickly as possible. An approved copy of your request will be mailed to you for your records. If timing is critical, we will be happy to telephone you of such approval prior to our mailing your copy.

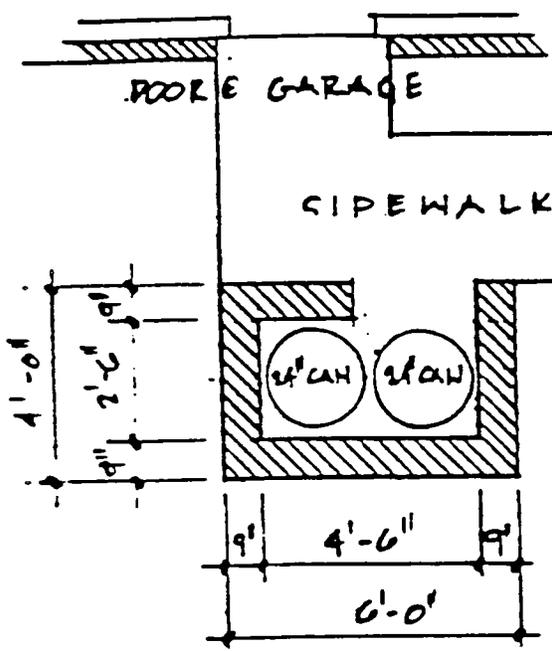

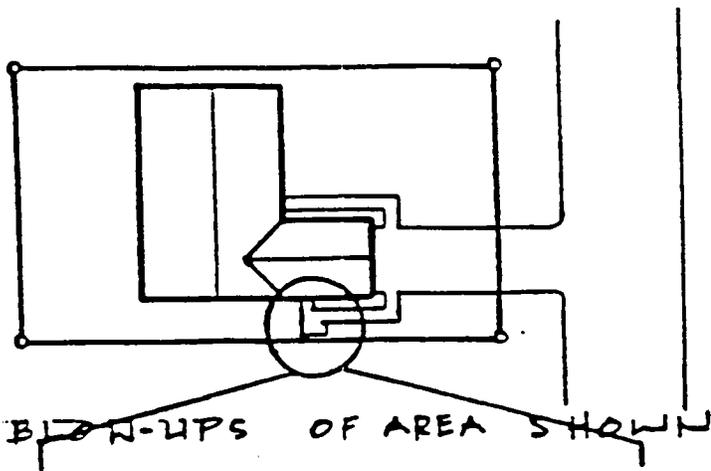

The homeowner is reminded that the responsibility of proper location of fencing on his own lot is solely that of the homeowners. Before construction of your residence, Greenbriar's surveyor installed steel property pins locating the corners and hence the boundaries of your property. If these pins have not survived the construction process, i.e. grading, sidewalks, etc. you will need to have a registered surveyor reset those pins necessary to insure proper location of your fence. The expense of such a survey is the responsibility of the homeowner. We have, however, helped many homeowners keep this expense to a minimum by having our surveyors set their required pins during a period when the surveyor is already scheduled to be in the area thus reducing his time and expense.

CAUTION! Many homeowners have inquired as to accuracy of the "loan surveys," copies of which many received at the time of closing the loan on their residence. These loan surveys were prepared at the request of the mortgage company to verify the dimension or size of the house, and represents a visual inspection of the relationship of the lot and house to insure that there are no encroachments of the house onto adjacent properties. While these surveys are helpful in establishing general relationships of house to lot, they are not accurate enough for or should not be used to locate actual property lines.

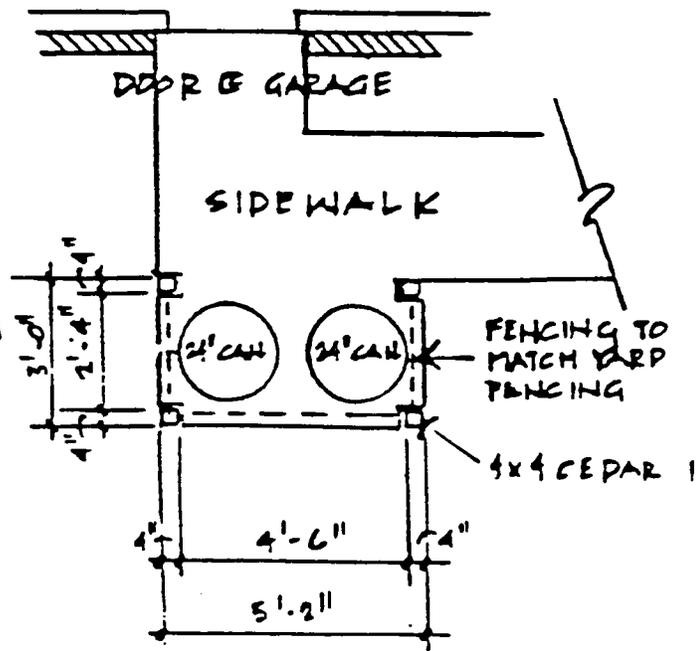

If you have any questions regarding the above, or if we may assist you in the planning of your fencing requirements, please give us a call at 691-3305

Very truly yours,

SUBJECT: Architectural Control

Article II - Architectural Control of the Greenbriar Kingsridge Declaration of Covenants and Restrictions reads partially as follows:

"Section 1 - Review No building, fence, walk, driveway, wall or other structure or improvement shall be commenced, erected or maintained upon the properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the 'Architectural Committee', etc."

Homeowners desiring to add fencing, additions or other alterations should submit drawings or a sketch describing such work for prior approval by the Architectural Committee. We will endeavor to accomodate such requests as quickly as possible consistant with the objectives of the covenants and restrictions, and will be pleased to meet with any homeowner to assist them toward this endeavor.

Please call the office if you have any questions.

Sincerely,
